Lamb Sale Animal Welfare Protocols

Butt Livestock & Property aims to deliver livestock selling systems that uphold the highest standards of animal welfare. Due to this we have put in place the following guidelines for all stakeholders:

- The sale of all sheep is on the basis of 'Immediate Lift', buyers are encouraged to have pre-arrangements for transport if they intend buying at the sale.
- It is the responsibility of the buyer that all sheep are picked up from place of purchase no later than 24 hours after the 'fall of the hammer'
- Sellers of lambs will aim to have given lambs an opportunity to water at least once if onsite for longer than 6 hours post sale.
- Sellers will provide ample pen space for animals to move around and rest comfortably. Where possible shade should be provided.
- All livestock handlers and transporters are to operate within industry guidelines.

We thank all involved for their cooperation in our efforts to deliver a safe and efficient sale with positive outcomes for the livestock offered and the purchasers.
